Andy read the Treasurer's Report. Monthly bills were presented and discussed. Jameson moved to accept the bills as presented. Dennis seconded the motion. Motion carried.

Citizens and Delegations- Patrick Gale from Pattern Energy was present and discussed the ongoing development of their wind project. They have not submitted to the PSC yet.

Unfinished Business-

The board discussed spraying the ditches. Brian can spray non restricted herbicides. The board also discussed whether a boom or boomless sprayer would work better.

New Business-

The board discussed the vacancies of the clerk and treasurer positions. Several people were discussed as possibly being interested. Also discussed was whether Andy and Linda would be interested in continuing the jobs.

The board was presented with the recent salt shed inspection report. There are cracks in the apron, holes in the back wall, and broken braces in the roof. Larry discussed with Andy at Reynolds Lumberyard on possible fixes for the back wall and roof braces.

Additional Correspondences- Larry presented a letter from Bellin Health.

Patrolman's Report- Brian has had the plow truck at B&B for an issue that they think is in the engine wiring harness. Jameson moved to replace the engine harness. Dennis seconded the motion. Motion carried. Brian informed the board that the county had pulled the weight limit signs so he is planning on pulling them down. Jameson informed the board that Madison Truck called regarding an order for the truck attachments. He informed them that we hadn't ordered them and filled out forms to cancel the order.
